

CURRICULUM VITAE

PROFESSIONAL SYNOPSIS

I am a self-motivated, innovative, dynamic and all-round individual with good interpersonal and communication skills who puts customer satisfaction at the centre of my operating principles. I show pride in my work and achievements. I adjust to new surroundings with ease and work with people from different backgrounds in a team environment. Am young, energetic, smart and enthusiastic to move the organisation forward with a strong agitation for results.

My objective is to utilise the available opportunity and fully exploit my potential for the benefits of the organisation and clients, gain experience, develop my carrier and become a proactive member from whom the organisation can benefit.
